Is Dedicated

TO YOU, one of the students who are the very life of Laramie High—to you, the boy who played football and to you, the basketball player who held your place as a true sportsman throughout the season; to you, the one who played that snappy note in the band as you stepped forward with a quick, proud step; to you, who loyally supported your team even in times of defeat; to you, who donned your grease paint and costume; to you, who sang in lovely harmony; to you, who practiced good citizenship in your daily living; to you, who learned to be good homemakers; to you, who were taught to till the soil and care for your animals; to you, who were concerned for the health and physical well being of others; to you, who are and will be shaping the lives of the young; to you, who did your very best in everything—it is to YOU, 1200 strong, who did your part, large or small, to prepare for full living in an age of progress and invention, that we dedicate this, our Senior Edition.

Hurrah! for the flag of the free,
 May it wave as our standard forever,
 The gem of the land and the sea,

 When our fathers with mighty endeavor,
 Proclaim'd as they march'd to the fray,
 That by their might,
 And by their right,
 It waves forever.

For some it leads to college . . .

For some a place in business or industry . . .

that stems from the American way
of free choice to build a future.
